

## JAMM Class Descriptions 2011 - 2012

**JAMM Dynamic Division Program** - This program is our recreational combination classes and single dance style class options. The program is designed for students three years through adult. This program runs from September 2011- June 2012. These classes are open to all new and returning students of JAMM Dance. These students may also enroll in more than one class if they choose. All students in the JAMM Dynamic Dance Division Program will perform in our year end recital in June. Descriptions of each program within our JAMM Dynamic Division are listed below. These classes are structured by grade in school, then by level so you are able to determine the perfect fit for your dancer!

**Tot JAMM & \*Mini New Starz** - These classes give Pre-School students the freedom to express their creativity through dance. Students will learn the basics of tap and ballet technique and terminology. Using music, props and inventive exercises, our staff provides a fun and loving atmosphere that sets the stage for future advancement into other JAMM Dance programs. Activities are designed to develop self esteem, being acclimated to a classroom setting and an awareness of others. Benefits to your child include increased motor/skill coordination, physical flexibility, social skills, such as following directions and learning physical concepts like energy and speed.

**Kidz JAMM B & A, \*Petite New Starz, Pre-Teen Starz B & A, \*Jr. New Starz** - Anyone in grades Kindergarten - High School can participate in these programs. Classes are structured by grade in school, then by level for the perfect fit for your child to learn and excel. Each class will learn jazz and tap technique and routines to be performed in our year end recital in June.

**\*JAMM Dynamic Division - New Starz** - These classes are perfect for recreational students who are brand new to dance! The descriptions are listed above. The teachers focus on the very basics and fundamentals of dance in a positive and encouraging environment. These classes are designed to set the stage for future advancement into other JAMM Dance programs.

**Girl Frenzy & Mini, Jr. & Teen Hip-Hop** - Hip-hop is offered to youth, teens and adults. Come learn some of the hottest new hip-hop moves and music video dances!

**Gymnastics for Dancers-** learn some great tumbling tricks to use on the stage in your routines. These classes are taught by a certified gymnastics coach with the assistance of special tumbling mats.

**Jr. & Sr. Pom and Kick** - Learn precision kick and jazz technique, a long with jazz and pom routines. Poms are provided.

**Pointe Intermediate/ Advanced & Beginner** - Students 12 years of age or older. Current students will be placed by the ballet director's recommendation. New students interested in pointe should call the studio to set up an appointment for an assessment.

**Drop In Fitness** - \$6 per class- drop in anytime! Punch cards are also available for purchase at guest services.

**Ballet Program** - JAMM Dance Ballet Program offers students of all ages a serious, disciplined approach to classical ballet technique. Whether students wish to continue their ballet training at the university level, enhance their overall dance abilities, pursue a professional career or just enjoy being part of the beauty of ballet, JAMM Dance offers classes that will appeal to all! Benefits of ballet training include a solid foundation in ballet technique, understanding of ballet vocabulary and history of dance, growing artistry in performance and increased mastery and control of one's body. Students in the ballet program are also exposed to a variety of dance styles to expand their versatility and dance vocabulary. Additionally, there will be various opportunities throughout the year for students to increase their dance enrichment by attending local or touring ballet, modern or contemporary dance performances.

**Competitive Dance Program** - JAMM Dance offers a variety of National and Regional Competitive Dance opportunities for all ages. Students participating in this program undergo a rigorous training and rehearsal regimen that culminates in performance opportunities. Students will attend several regional competitions- ending each season with a national competition in June. August auditions determine which JAMM students will appear in the programs. Staff and/or professional choreographers create unique dance pieces for the groups which travel to dance conventions and competitions throughout the state and surrounding states performing in one or more of the following styles; ballet, jazz, tap, lyrical, musical theater and hip-hop categories. Students in the competitive dance program take a pre-determined number of ballet and jazz technique classes each week. They may also be eligible for additional classes and solo and small group opportunities by invitation and audition.
